**RESPONSE TO RESTRICTION REQUIREMENT**

Dear Madam:

Applicants hereby respond to the Examiner's restriction requirement set forth in the Office Communication dated February 15, 2007 (Restriction Requirement).

To be completely responsive to the Office Action, and without acquiescing in the propriety of the restriction requirement, Applicants elect to pursue Group a: SEQ ID NO: 1, cDNA encoding human CatSper 1.

Although electing without traverse, Applicants note that they do not agree with the assertions in the Office Action upon which this restriction is based, including for example, the assertion that the sequences have different putative functions.
